Verse 2:

You're essentially an employee and I like you having to depend on me
 You're kind of my protégé and one day you'll say you learned all you know from me
 I know you depend on me like a young thing would to a guardian
 I know you sexualize me like a young thing would and I think I like it.
 Ooh this could get messy
 But you don't seem to mind
 Ooh don't go telling everybody
 And overlook this supposed crime.

Verse 3:

Just make sure you don't tell on me especially to members of your family
 We best keep this to ourselves and not tell any members of our inner posse
 I wish I could tell the world 'cause you're such a pretty thing when you're done up properly
 I might want to marry you one day if you watch that weight and you keep your firm body.
 Ooh this could be messy and
 Ooh I don't seem to mind
 Ooh don't go telling everybody
 And overlook this supposed crime.

We'll fastforward to a few years later etc.
