2. Now for ten years we've been on our own, and moss grows fat on a rollin' stone  
 But that's not how it used to be when the jester sang for the king and queen  
 In a coat he borrowed from James Dean and a voice that came from you and me  
 Oh and while the king was looking down, the jester stole his thorny crown  
 The courtroom was adjourned, no verdict was returned  
 And while Lennin read a book on Marx the quartet practiced in the park  
 And we sang dirges in the dark  
 The day the music died  
 We were singin'... bye-bye... etc.
  
3. Helter-skelter in the summer swelter the birds flew off with a fallout shelter  
 Eight miles high and fallin' fast, it landed foul on the grass  
 The players tried for a forward pass, with the jester on the sidelines in a cast  
 Now the half-time air was sweet perfume while the sergeants played a marching tune  
 We all got up to dance but we never got the chance  
 'Cause the players tried to take the field, the marching band refused to yield  
 Do you recall what was revealed  
 The day the music died  
 We started singin'... bye-bye... etc.
  
4. And there we were all in one place, a generation lost in space  
 With no time left to start again  
 So come on, Jack be nimble, Jack be quick, Jack Flash sat on a candlestick  
 'Cause fire is the devil's only friend  
 And as I watched him on the stage my hands were clenched in fists of rage  
 No angel born in hell could break that Satan's spell  
 And as the flames cl... light the sacrificial rite  
 I saw Satan laughing 05706 0600 1992643
